

THE ESTEEMED MEMBERS OF THIS CANINE COLLAGE

Welcomes

YOU TO

CHARTER POINTE—

A PET FRIENDLY NEIGHBORHOOD OF 206 HOMES OFF 96TH STREET

As you can see, we are a diverse community of canines who reside here with our humans. It was recently stated,

“It is a known fact there are 10 GREAT DOGS in the world at any one time.”

It so happens, at this time they all reside in Charter Pointe!

Can you pick them out?

Our HOA has covenants which we ask all humans to abide by. One is we are always on a leash (a strap which attaches to our collar) and enables us to lead our humans where we want them to go. Visitors are welcome, and we ask you to make sure your human has a plastic bag to pick up anything we leave behind!

Communication is very important to us at Charter Pointe, and we leave messages all along the trail. We read these messages by sniffing. One of our resident humans call our messages *“pee-mail!”*

We appreciate the welcoming attitudes of the humans residing here without dogs; and some enjoy providing treats to us. We delight in the simple joy of a long walk with our humans and canine friends.

When our humans come home, we always run to greet them and dance around wagging our entire body. We love our humans unconditionally and even though our humans are a work in process, they are also learning to love one another as good neighbors should.

We may bark and let others know when you approach our territory, but please know and understand...

YOU ARE WELCOME AT CHARTER POINTE!

As our Canine friends mentioned, **COMMUNICATIONS** at Charter Pointe is important. With that, we feel it is a good idea to share our history of **Residential Vendors** who have provided various services to some of our residents over the years and have proven their reliability, therefore we are recommending them to you....

And, as well we are including business cards from Charter Ponte Entrepreneurs that will design dazzlin' jewelry, provide hair design services, and even a creative watercolorist.

We will be expanding this listing for our Charter Pointe website, so share your business cards with us or those of other vendors you think should be recommended and included.
